

Caravanners and Campers Christian Fellowship

CCCF is a non-denominational Christian holiday organisation, which has been rallying all over the U.K. since 1969. We are a “family” of Christians who enjoy being in the great outdoors, love caravanning and camping, and want to meet fellow believers to enjoy fellowship whilst holidaying together and sharing our faith in the Lord Jesus Christ.

Our membership is made up of a mixture of families, singles, retirees, campers, motor-homers and caravanners – all are welcome! Our rallies are inclusive of every age group, and where appropriate, there are special events for children and young people, families, singles and those of more mature years! The rallies are a great opportunity to meet new people and make new friends.

RALLIES FOR EVERYONE

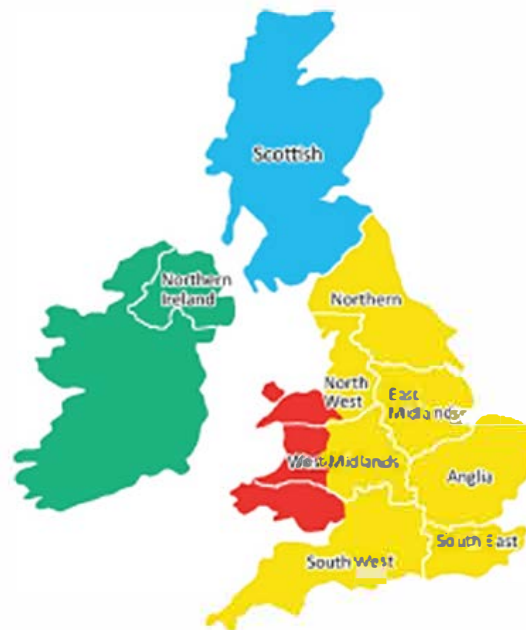

Our rally programme each year has lots of rallies for everyone and if you pick a rally on a commercial site, or join a rally that lasts a whole week or more, then you can even try us out without having to commit to taking out annual membership.

Some of our rallies are on green field sites, so if facilities are important to you, just choose rallies that suit your needs. You don't have to stay for the whole rally – just book in for the nights you want. The rallies have a flexible programme of activities and you are free to join in as you choose, there are also occasional day rallies with games, BBQs or Christmas meals that you can enjoy.

During the summer there are extended holiday rallies, mainly by the sea, where you can enjoy just a few days or a few weeks, but however long your stay you can be assured of a very warm welcome and Fellowship.

Look us up on our website www.cccf.org.uk where you can see a skeleton list of the rallies and pick one near you or further away in any of our nine regions across England, Wales, Scotland and Northern Ireland. You can also contact us by emailing info@cccf.org.uk

WHAT OUR MEMBERS SAY ABOUT CCCF

'We very much enjoyed meeting up with friends, particularly those from other regions, who we only see at SBHR. It was good to make new acquaintances too – hopefully they will soon become friends.'

'Butlins with Jesus.'

'Snitterfield never fails to supply beautiful sunsets – there seems to be so much sky. It was great to see so many children and young people enjoying the holiday. All the groups were really well led.'

'It was great to see friendships being formed all around the site.'

'CCCf is about Christian Fellowship and Christian Fellowship is about blessing each other in God's love.'

'The programme was really good.'

'We went to the Sunday evening service which was a lovely time. Not least because of the speaker, who we can only describe as a breath of fresh air. His ministry was great, challenging but oh so different.'

'Wonderful rally as usual.'

OUR BASIS OF FAITH STATES:

1. We believe in the Holy Trinity, God the Father, God the Son, and God the Holy Spirit.
2. We acknowledge the sinfulness of man and his need of a Saviour in Jesus Christ who died as the sacrifice for our sin and rose again in victory over sin, death and the grave.
3. We believe in the Holy Bible as the inspired Word of God, profitable for doctrine, discipline, instruction and action.

MEMBERSHIP PRINCIPLES

CCCF enjoys the benefit of Exemption Certificates for caravanning and camping purposes which removes the need to obtain planning permission or a site licence to hold rallies. In order to obtain these Certificates we had to first supply DEFRA with a Code of Conduct and a copy of our Constitution and Rules, which they have approved, and with which they expect all members to comply.

All members are expected to maintain an exemplary standard of camping and personal conduct at all times, with due consideration being given to others, whether they are members or not. So whilst enjoying the countryside and participation in recreational activities, members are expected to observe the current versions of the Caravan and Camping Codes, the Country Code, the Water Safety Code and the Coastal Code. If any discredit is brought on the Fellowship then the member concerned may have their membership withdrawn, suspended or not renewed.

Pets are to be kept under strict control and, with the exception of Registered Assistance Dogs, not be taken to meetings. The only drugs permitted on site are those prescribed by a registered Medical Practitioner or over the counter medication. We expect that any persons who smoke should do so only on their own pitches or off-site and not in meetings or other communal areas. Similarly being under the influence of alcohol is not appropriate. The National Committee are concerned that the Lord Jesus is not dishonoured therefore members should maintain the highest standards of behaviour at all times.

We uphold the Biblical standard of marriage in that it is God's plan for a man to marry a woman (Genesis 2), for their mutual joy (Jeremiah 33) and, by God's grace, the upbringing of all children in the family. It follows that 'common law' marriage and same sex partnerships in a 'marriage setting' are contrary to our understanding and belief.
